Brand Management

Promoting the products’ of different brands through an interactive digital signage which can do more than displaying advertising ads.

Interactive Shopping Guide  Video or Poster Ads
With too many choices available in store, shopping for the latest beauty trends can get overwhelming. Magic Mirror is an interactive shopping guide, recommends the must-have or best selling beauty products, assuring shoppers on buying consumer-proven products to upgrade their daily beauty routine.

Using editorial content to recommend products that is different from the normal product listings experience.

Converting Sales with Guided Selling

With too many choices available in store, shopping for the latest beauty trends can get overwhelming. Magic Mirror is an interactive shopping guide, recommends the must-have or best selling beauty products, assuring shoppers on buying a consumer-proven products to upgrade their daily beauty routine.
In-Store Advertising

Displaying latest promotion in the form of poster or video display.

Interactive Poster or Video Ads

With the touchscreen capacity, Magic Mirror is a digital signage which allows shoppers to choose and view the desired videos to learn more about your tenants’ products or promotion.

Leasing Out Advertising Space

Earn extra revenue by leasing out the advertising space for your tenants to promote their products with the interactive advertising media – creating an immersive brand experience for the shoppers.
Store of the Future

Changing the future of how shoppers shop with a true-to-life makeover and virtual try-on experience.

Virtual Makeover

3D Virtual Dressing
See your instant makeover in just one tap. Magic Mirror tracks shoppers’ facial features and apply makeup on their faces in camera live view, allowing them to see their makeup looks in real time.

**Virtual Makeover**

Changing the future of how shoppers shop for makeup with a true-to-life makeover experience.

**Virtual Makeup Tester**

Quickly try-on various colors and textures of makeup such as lipstick, eye makeup, blush and more without erasing the makeup the shopper already has on, ensuring shopper is completely satisfied before purchasing it.

**Seeing Your Real-Time Makeover from All Angles**

See your instant makeover in just one tap. Magic Mirror tracks shoppers’ facial features and apply makeup on their faces in camera live view, allowing them to see their makeup looks in real time.
Simulating the real-life shopping experience with real 3D virtual dressing.

**Virtually Try-On in 360° View**

Combining with 3D body scanning technology, 3D product models are scaled to virtually fit onto shoppers’ body within the live video feed. This allows shoppers to see the virtual fitting in 360° view, even the folds of the fabrics as they twist and turn.
Omni-Channel

A connected retail experience which brings the convenience and speed of the online shopping experience into the store.

Virtual Shelf
An interactive app which allows shoppers to browse and explore a product in 360° view.

**Virtual Shelf**

**Product Visualization in Multi-Dimensional View**

Magic Mirror is a virtual shelf, allowing shoppers to touch and rotate the product to any direction to see all its details from all angles. This 3D view gives better clarity and clear visualization on the product, bringing the design and specification to the next level of understanding.
Loyalty Program

A great addition to the store for enhancing customer loyalty and clienteling.

- Membership Sign Up
- Points Balance Checking
- Personalized Shopping
- Comment Box
A great addition to the store for enhancing customer loyalty and clienteling.

**Membership Sign Up**
