Star Features for Five Star Hotels

Magic Mirror is a great addition to the five star hotels, improving their service offering while generating extra stream of revenue at the same time.

Low Maintenance

Powerful Hardware

Multifunctional

Sleek and Minimalist Design

Low Maintenance

Designed to be straightforward and user friendly, so it doesn't require a technical guy to operate.

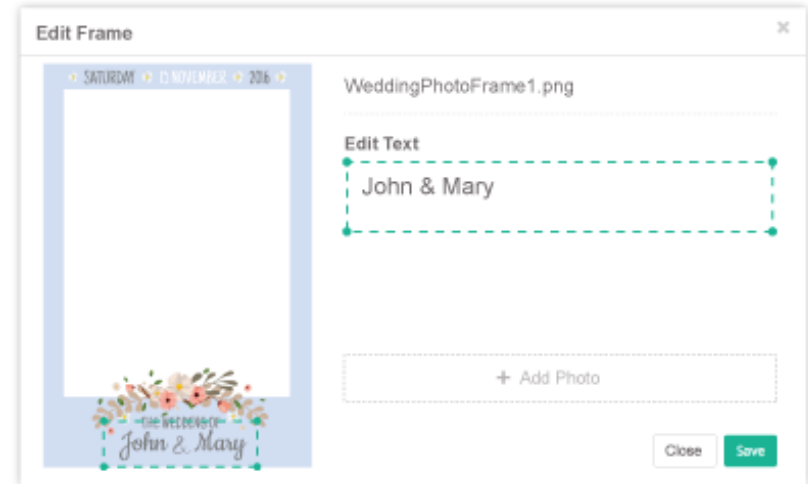

Digital Content Management

Magic Mirror comes with an enterprise class digital signage system to manage the digital content of different units from a central location.

Upload digital content (e.g. videos, photos, photo frames, logo, etc. via a web-based control panel.

Schedule digital content to be played on the pre-defined time.

Distribute digital content remotely to all units with a touch of button.

Easily changing wedding couple's name to reuse the photo frame for different weddings
